

FFHQ 2019 Bug List - Bug #343

Ovulation Calculator results

08/13/2019 02:02 PM - Anonymous

Status:	Closed	Start date:	08/13/2019
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	GO LIVE	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Once I have entered my dates and get my results i get the following:			
Your next most fertile period is July 13th to July 17th.			
Can we change the wording to : Your next most fertile <u>window</u> is July 13th to July 17th.			
Clarity is important here.
