remove amp results

#2 - 08/16/2019 03:58 PM - Pierce Gleeson

- Status changed from New to Feedback

- Assignee changed from Newton Duarte to David Bryan

The google results come back in quite a few ways and I was getting errors in some cases where errors were missing.

So it wasn't the multiple words, it was just particular results this search was returning.
Fixed now.

Also, as a byproduct, fixed the broken images on the search results page. Will see a lot of placeholders until the new indexing comes through.
