Description			
The How much does it cost FAQ is not updated correctly (you missed one - UK only price) http://www.dev.cinemaadvertisingassociation.co.uk/faqs/			
Should read:			
The CAA charge a flat fee for an initial submission of £125 + VAT for a UK only advertisement, €125 for a ROI advertisement or £125 + VAT for a UK & ROI advertisement. You may wish to submit a Script/storyboard, rough cut and then a final cut. It is not mandatory to do so although the final cut must be submitted for final approval before an advertisement can be exhibited in cinemas. Please note if you submit a cutdown and extended version of a previously cleared advertisement, you will be charged the full fee as this is deemed a new item.
