

El Events Bugs & Feedback - Bug #453

Null results in listings - display message

06/23/2020 10:50 AM - David Bryan

Status:	Closed	Start date:	06/23/2020
Priority:	Normal	Due date:	
Assignee:	David Bryan	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.20 hour
Description			
The bug for if there are no results for the current selection (event type/county/date) - is fixed - GREAT! However if there are no results we need a message display on the screen, rather than it being blank: "I'm sorry we don't have any listings for your selection. Please try again later or search again." [hyperlink "search again" to https://entertainment.ie/events/]
