General - scheduling

02/08/2021 01:44 PM - David Bryan

Status:	Feedback	Start date:	02/08/2021
Priority:	Normal	Due date:	
Assignee:	David Bryan	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Doesnt publish to a schedule (says missed schedule)			

History

#1 - 02/09/2021 05:25 PM - Pierce Gleeson

- Status changed from New to Feedback
- Assignee set to David Bryan

95% sure this is nothing to do with the new update. There's a cron script that is ONLY on live and scheduled postings have never worked on dev or locally.

To make sure it's working we either:

- figure out how to get the cron job working on dev
- push it live and assume it's still working, it probably is.

#2 - 02/10/2021 02:01 PM - David Bryan

testing on live site at the moment, will feed back in
